Manufacturer & Exporter of Woven Garments For Women, Men & Kids

Company Profile

About Us

Factories

4 Manufacturing Units
Chennai HQ, 2 in Kanchipuram & 1 in Trichy

Machinery

400+ machines distributed across all manufacturing units, equipped for diverse woven garment production

Multi-Style Production

Capability to run multiple categories simultaneously
Efficient line balancing across varied styles

Monthly Capacity

Up to **100,000** pieces (Scalable based on style complexity). 65% Women's, 35% Mens wear.

Compliance

Currently **SEDEX 4 PILLAR certified** can obtain required certification on need basis

OUR CORE STRENGTHS

1 Fabric & Technical Expertise

Backed by decades of in-house loom expertise, we bring deep fabric intelligence to meet our buyers needs with exact quality, cost, and timeline requirements.

2 Washes & Garment Detailing

Comprehensive garment washing capabilities ranging from basic finishes like softener, enzyme, silicon to advanced techniques including acid wash, stone wash, overdye, tie & dye, PP spray and Lava dyeing.

3 Embroidery & Value-Additions

Strong value-added capabilities with inhouse embroidery (2 Barbudan 20 head machines) and extensive experience in placement prints, supported by trusted partners using certified, safe dyes and compliant processes.

OUR USP

Flexible production capability handling both low volumes (2,000 pcs/style) and high-volume orders with consistent on-time delivery
